Robert Oliver Place Project to Begin

ELLCOTT CITY, MD – A Howard County project to construct community streetscape improvements along Robert Oliver Place in the Oakland Mills Village Center in Columbia is scheduled to begin on or about Tuesday, October 13. Existing landscape islands will be replaced with streetscape improvements including sidewalks, road resurfacing, lighting, curb and gutter, curb cuts, street trees and landscaping. Weather permitting, the project is expected to be completed in late November.

During the project, access to the village center establishments and Howard Transit bus stop will be maintained. Occasional traffic and parking diversions are to be expected. Flagging operations will be in place as needed to direct motorists.

For questions or concerns about Capital Project C-0287, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440, or by e-mail to: publicworks@howardcountymd.gov.
